

## A RESOLUTION IN MEMORY OF REVEREND C. D. COFFEY

*“I am the Alpha and the Omega, the beginning and the end, the first and the last.”  
~ Revelation 22:13*

We, the Chapter Representatives of the Gospel Music Workshop of America celebrate and give thanks to the Lord for the life of Rev. C. D. Coffey. His love for GMWA was apparent though his outstanding and dedicated service as the person who headed up our Santa Barbara/Gold Coast Chapter. His love of people was evident in that regard just as it was in his dedicated service to the Inner Light Choir, the Seventh Day Adventist Church, and other community ministries. We know that he was a great Blessing to people from all walks of life. Certainly, he will be greatly missed but his memory and legacy will live on through the lives that he touched.

We extend our love and prayers to his family, extended family, the Santa Barbara Chapter, and others who were inspired by him. Remember that:

“God loves us in the sunshine and loves us in the rain.  
He shares our times of happiness and feels our grief and pain.  
So even in your sorrow, may you know that He is near.  
And may He be your comfort in the loss of one so dear.”

Done by the order of the GMWA Chapter Representatives Division and Bishop Albert L. Jamison Sr., GMWA Chairman, for presentation on October 23, 2009.
